About This Game

Description

Elendia Ceus is an epic RPG developed by Aldorlea Games (Asguard, Moonchild, The Book of Legends etc.) and featuring about 20-30 hours of playtime as well as a large cast of enemy bosses.

What lies beneath the skies?

This is a question nobody in the cloud world of Elendia wants answered - nobody but one man, LaCaster, who lost his wife as she passed to the other side.

And because the prophecies say Elendia will collapse if a breach is made through to the other world, you have to stop LaCaster from trying to revive his wife.
