About This Content

We’re bringing bling back to the Row with this set of money-themed superpowers. In these hard financial times, what better way to boost the economy than to power your buff to shake down enemies, turn your foes into gold with the Midas touch, make it rain with stomp, or blast people in the face with some dollar-dollar bills, yo. Strap this on and shake that moneymaker!

saints row 4 bling bling pack

Hello Friends! This dlc adds money powers to the game, basically giving you money and turning aliens into gold. Anything that gives you extra money in this game is great because it costs alot to upgrade weapons..and powers.

Recommended for another source of money in the game!
